

## **Sponsorship Proposal: An Opportunity to Help Abused Women and Children**

Healing & Mending Ministry Crisis Intervention Center of St Louis County • Education • Advocacy

Dear Friend,

Healing & Mending Ministry is proud to extend to you an invitation to be a sponsor of our Annual Community Conference. The purpose of this event is to raise awareness and to receive additional financial support to open an emergency shelter for abused women and children. This year's theme is **"Building Bridges & Making Connections."** This cause worthy event is scheduled for Saturday, October 26, 2013 at 8:00am at the Comfort Suites-Westport in St Louis. The conference will include over one hundred corporate and local professionals. It will be one of the most prestigious events in Saint Louis and is expected to sell-out.

In 2012, 1,451 domestic violence victims found refuge in emergency shelters or transitional housing provided by local domestic violence programs. In addition to a safe place to lay their heads at night, shelter residents were provided with a variety of comprehensive services. Since April 2010, Healing & Mending Ministry has provided crisis intervention and community education to survivors of domestic violence and sexual assault.

We would be very grateful and honored to have you partner with us as a sponsor. Enclosed is a sponsorship form and the levels of sponsorship available. Please fill out the form and return it to our office no later than September 20, 2013 to take advantage of our Conference publicity campaign. Healing & Mending Ministry is a 501(c) (3) non-profit organization. Our Tax ID Number: 80-0538076 can accept contributions from your personal, corporate, or foundation account. All donations are tax deductible.

Don't miss out on this wonderful opportunity to help women and children who have been abused. If you have any further questions, please do not hesitate to call our office number at 314-255-6181. We truly look forward to hearing from you, and thank you in advance for your support and participation.

Kind Regards,

The survivors begin to embrace a new life in a trusting, and stable environment. Inevitably they will become more stable financially, socially, and negative emotions will diminish such as fear, guilt, embarrassment, and other negative emotions related to the assault.
